

TEBOHO NTHAKO

JUNIOR SOFTWARE ENGINEER

PROFILE

I am a self-motivated software engineer with robust problem-solving skills, excellent interpersonal and logical skills with proven experience in creating and designing software in a test-driven environment. I have worked with HTML, CSS, JavaScript, React, Git, APIs and Bootstrap.

I have a passion for coding and learning new things. I love building new projects that help me advance to be more full-stack.

Looking for opportunities to grow and try new technologies to expand my tech skills in a team-based environment.
